Frequently asked questions

Q: How do I get a 50% off exam voucher for the AWS Discovery Day attendance?

A: Discovery Days participants are eligible for a 50% discount voucher toward the cost of Foundational, Associate or Professional exams.

1. Log in to your [AWS Certification account](#)
2. Select “*Manage Pearson VUE Exams*”
3. Schedule your Foundational, Associate or Professional level exam, then apply the voucher code at the payment screen to receive your discount.

In order to apply the discount, you **must purchase and schedule** your exam with Pearson VUE. Discount cannot be combined with any other offers or vouchers. Your voucher can be used for **one** single exam from the eligible list. Remember, you must **schedule and take** your exam prior to 30th of September. Terms and conditions apply.

Q: If I fail the certification exam on my first attempt, can I request another voucher?

A: Only one voucher code can be requested and redeemed for the **AWS Discovery Days**. In case you would like another voucher, you will need to attend a new session.

Q: In what languages will the exam be available?

A: Learn more about the languages available and schedule [here](#).

Q: What is the benefit of getting AWS Certified?

A: Earning the highest-level industry recognized credential from AWS showcases your skills, increases your influence among peers, and helps advance your career.

Q: How does staff getting AWS Certified benefit an organization?

AWS Certification helps organizations identify and cultivate skilled professionals who can improve cloud operations and drive innovation. Research by Enterprise Strategy Group (ESG)

shows that AWS Certification can help organizations build faster, improve security, reduce downtime, improve deployment time, better innovate with AWS services, and attract and retain top talent. Learn more.

Q: How do AWS Partners benefit from having AWS Certified staff?

AWS Certification helps AWS Partners retain top talent and better serve their customers. According to research by Enterprise Strategy Group (ESG), 97% of AWS Partners say that AWS Training and Certification programs put their company in a better competitive position to succeed over the next 3-5 years.

Q: Is there any cost associated with the campaign?

A: There is no cost to register or participate in the Discovery Days sessions. Foundational-level exams cost 100 USD, Associate-levels exams cost 150 USD, and Professional-levels cost 300 USD.

Q: How do I take an AWS Certification exam?

A. In order to apply the discount, you must schedule your exam with Pearson VUE via online proctoring. Learn more about your testing options and schedule your exam [here](#).

Q: How do I share my certification with my network?

A: We provide digital badges on Credly's digital badging platform as a benefit of earning an AWS Certification to help you showcase your achievement. You can add your digital badge to your professional profiles, digital resumes, or email signatures. You can also share your digital badge as a post on social media to celebrate with your network. Learn more about badges. AWS Partner learners can also share their certification status with their organization by completing the certification consent process.
